Bantam Series Predator Calls

- Jackrabbit - #101 - \$12.50
- Cottontail - #102 - \$12.50
- Squealer - #103 - \$12.50

Economy Package (all 3 Calls) - #104 - \$30.00

Bantam Calls have a rugged extruded call body with a food grade mouth piece. It comes with the **Moisture Guard™ Intake Screen** (Another MC First) that helps to protect against moisture build up and freezing during cold weather calling. Moisture and foreign materials that get into the reed system are the leading cause of game call failure. Bantam Calls have their own unique sound clean, crisp and accurate. All MC predator calls are tuned to work on both ends of the volume scale, close-range & long-range calling.
